

SCORPIO™

DIRECT VENT GAS FIREPLACES

ARTISANALLY CRAFTED LOG SETS
NOW OFFERED IN:
CHARRED OAK OR DRIFTWOOD

FEATURED Scorpio shown with Old Town Red Herringbone Ceramic Fiber Liners, Charred Oak Logs and interior illumination

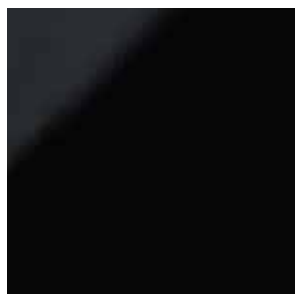

SCORPIO

The superbly designed Scorpio Series Direct Vent Gas Fireplaces are the embodiment of traditional style and performance. Dressed with an array of standard features, such as ceramic glass, factory-installed blower, full-function remote control, interior illumination, and your choice of either Driftwood or Charred Oak high-definition logs, these fireplaces are the perfect centerpiece for any room. Tradition. Style. Performance. That's the essence of the Astria Scorpio Series Direct Vent Gas Fireplaces.

Choose from two beautifully detailed logs sets and four distinctive liners.

Choose from high definition, artisinally crafted logs sets shown in Driftwood (top) or Charred Oak (bottom). Shown with Buff Stacked Ceramic Fiber Liners.

Black Reflective Porcelain Liners

**Annual Fuel Utilization Efficiency (AFUE) is the recognized U.S. rating system for the total efficiency of heating products.

On the cover: Scorpio shown with Black Reflective Porcelain Liners, Driftwood Logs and interior illumination.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.

Approved for use with European Copper and Chimney Classics chimney tops, which improve performance and add an elegant touch.
